overview

With 2 years of experience as a Frontend Developer, I specialize in HTML5, CSS3, JavaScript, and jQuery for creating responsive user interfaces. Proficient in JavaScript, React.js, and Redux, I excel in web technologies such as SASS, Bootstrap, and Tailwind CSS, with a strong focus on API integration. My expertise lies in developing dynamic and visually appealing web applications to enhance user experience

EXPERIENCE

Gtf Technologies, Noida— *Frontend Developer*

Oct 2023 - PRESENT

1. Developed and implemented responsive and user-friendly web interfaces, leading to a 20% increase in user engagement and a 15% decrease in bounce rate
